Born in April 2003 and raised in Middlesbrough, I began my acting journey in 2024 and quickly realised how much I wanted to continue working and developing in this field. Even though I didn't grow up around acting, it hasn't stopped my dedication and passion for acting. Acting has allowed me to trust my instincts and express myself in a way that feels natural. I'm extremely dedicated, hardworking, and always ready to take on new opportunities.
