I started acting at 19 and predominately worked on Stage. After my lead role in Bar and Ger which I was nominated best Actor in the All England Theatre Festival Northern Section, I began working on Television and Film. I gained considerable experience during this time. Fast forward to the present, after living and working abroad for a decade, I am now hoping to further my acting career. I have recently played the lead role as a dad in a corporate filmed in London. Also I have worked on several up coming productions for the BBC, ITV, C5, Netflix and Paramount TV in the past year.
