I grew up in a small town in Normandie. I start Tennis when I was three years old. I went to a sport high school for track & fields. School has always been hard for me because I'm dyslexic and I have way too much energie to be sitting around all day. My dream has always been to live in America but I never spoke english. My proudest moment is when I graduated in America. My worst memory is when I didn't get my high school diploma. My qualities are that I'm nice, optimistic, never give up, and clumsy. My flaws are that I'm stubborn, perfectionist, impatience and naive.
