Hello, I'm George Skytan, a 27-year-old actor from Moldova, now thriving in London. My journey in acting began in my home country, where I fell in love with the craft. Moving to London has allowed me to grow and embrace new opportunities in the industry. I also model, bringing authenticity and passion to every project. I'm eager to connect, learn, and contribute to the dynamic world of acting. Excited about the future, I look forward to every new challenge and experience that comes my way.
