Hi I'm Elliott, and thank you so much for checking out my profile! I worked as an actor briefly in my early twenties before switching to a career in Project Management in telecommunications until 2024 where I was rudely made redundant. Throughout that time I took part in close to 50 amateur and semi-pro gigs, culminating in working with Quick Fantastic; enabling me to work not only on the West End, but also with a host of established actors. I am now taking the plunge back into the industry and hopefully working with you soon. Thank you again. SHOWREEL: <https://www.youtube.com/watch?v=tven771WoAE>
