I am a fun loving, neuro diverse, adventurous young actress who loves to try new things. I am a keen dancer and participate in several different dance classes. I also love to sing and love all styles of music. I attend the Brit School on the MT strand. I love animals, I have 5 cats, a rabbit, a pony and fish. I love to work in the community and with fundraising activities. An interesting fact about me is that I was born in Disneyland Paris. I learnt makaton at a young age so that I can communicate with my older brother who has Down Syndrome.
