Actress since 2015, with a knack for drama, I am pursuing my childhood dream, wishing to become involved in great, interesting projects. My studies include the prestigious Acting Academy LAMDA where I studied Shakespeare and deepened my classic studies. I truly loved it. My acting started on stage in 2015 and since then, I have never looked back. Went to LA to study at the Elysium Conservatory and now I am looking for the next project on screen or stage. Act fluently in 3 languages and one on script.
