I'm Lynsey Johnson an established and experienced Nero diverse actor. I was born in North London and went to drama school in Wood Green "Mountview theatre school", graduating in 1998. Now based in the Midlands, with a London connection. I am funny and versatile and a team player. After years of stage, theme park entertainment and voice work, I am moving in the direction of film and television. My last production was as "Aggie", the friend with OnTrack productions. I have been invited back this Christmas with OnTrack to perform again.
